**FOR IMMEDIATE RELEASE**

### **John Chance Rejoins Chance Rides Inc.**

Wichita, Kan. — John Chance is the youngest son to Dick Chance, the Chance Rides Inc., CEO. He has rejoined the company as the VP of Business Development. John left the company to run his own venture in 2012 after having worked in the family business for 10 years. During that 10 years John was instrumental in integrating the engineering team from D.H. Morgan Coasters into Chance Morgan, Inc.. He has also served as the lead Project Manager and was head of Latin American sales. John holds a Master's Degree in Business Administration and brings strong international experience, having lived in Europe and Latin America. Last year John successfully sold his business, making him available to rejoin Chance Rides where he will focus on maintaining and growing the strong customer relationships that his brother, Mike Chance, built before him. He also brings a renewed effort to ensure that Chance Rides is providing the best customer service and quality in the industry. Under John's leadership every department will direct our focus to continuous improvement. Our talented veteran team will remain in place and they look forward to the renewed energy, excitement, and strength that John will bring to the company along with his father, Dick.

It is our hope to honor the memory of Michael Chance by dedicating ourselves to serving the customers that he was proud to work with. The lesson passed down from Chance Rides founder, Harold Chance, was that if you can make your customers be successful then we will be successful. We will continue in that mindset and look forward to many more years of success together.

Chance Rides, Inc. is a family owned business located in Wichita, Kan. For more information about Chance Rides products, visit [chancerides.com](http://chancerides.com)
