FOR IMMEDIATE RELEASE

Chance Rides Named as the Presenting Sponsor for Zipper Independent Film

Wichita, Kan. — The 11th Annual Tallgrass Film Festival will open on October 16th. This year the schedule of feature independent films includes two showings of “ZIPPER: Coney Island’s Last Wild Ride” on October 18th and 19th. The film can be seen at the Garvey

Theatre at 1:30 on Friday and 2:30p on Saturday. This film is an homage to one of Chance Rides most thrilling and well known carnival rides. The Zipper first debuted on the carnival circuit in 1968 and can still be found at most carnivals around the country today.

The film, “ZIPPER: Coney Island’s Last Wild Ride”, chronicles the history of the famous destination and the recent changes taking place in the area. The film is written and directed by Amy Nicholson who tells the story from the perspective of a small time ride operator named Eddie Miranda. Eddie is proudly operating the Zipper on rented land that gets bought out from under him to make way for a new development that threatens to erase the nostalgia associated with Coney Island.

Chance Rides is proud to act as the presenting sponsor for this film. We had the privilege of seeing this film come to life. It has been an honor to work with Ms. Nicholson as the film was being created and now to work with the Tallgrass Film Association as they bring this story to the Wichita area audience. The opinions and views expressed in the film are not necessarily those of Chance Rides.
