New Orleans City Park CPH

Wichita, Kan. — Chance Morgan C.P. Huntington #346 was delivered to New Orleans City Park on November 18, more than a year after Hurricane Katrina destroyed the parks original CPH Trains.

Square D, a brand of Schneider Electric, sponsored the new train which is a locomotive and one coach. The new train was installed just in time for the parks annual "Celebration in the Oaks."

The park hopes to restore a second train from the salvage parts of the original trains.
