Chance Morgan Delivers Four Carrouseles

Wichita, KS—January 10, 2006—Chance Morgan delivered four new carrouseles throughout the United States and Mexico in the fall of 2005. The new locations include: Phoenix Zoo in Phoenix, Arizona; Sugar Sand Park in Boca Raton, Florida; Westfield Valencia Town Center in Valencia, California; and Plaza Sendero Ixtapaluca in Ixtapaluca, Mexico.

Phoenix Zoo received a 36' Endangered Species Carrousel. Located in the newly redesigned entrance plaza, the carrousel includes 33 animals and a handicap-accessible chariot. Many of the animals on the carrousel can be found throughout the Zoo. Zoo patrons may choose to sponsor a carrousel animal. Proceeds from the carrousel benefit the Phoenix Zoo educational programs.

Sugar Sand Park installed a 36' carrousel with Americana colors and Dentzel scenery. The carrousel sits next to the Children's Science Exploratorium at the park. Riders may choose from 30 jumping horses and two handicap-accessible chariots.

Westfield Valencia Town Center installed a 36' Double Decker Carrousel operated by HQ Entertainment, and Plaza Sendero Ixtapaluca mall installed a 28' Victorian Carrousel.

Carrouseles are available from Chance Morgan, Inc. in Wichita, KS. Chance is the largest manufacturer of amusement rides in the United States.
