### Cypress Gardens Welcomes the Arrival of Six Chance Morgan Rides

Wichita, KS—January 28, 2005—Chance Morgan, Inc. recently delivered six rides to Cypress Gardens. The new deliveries include a Yo-Yo, Giant Wheel, Double Decker Carrousel, Pharaoh's Fury and two C.P. Huntington trains.

The Yo-Yo spins riders through the sky, providing a wonderful view of the facility. Adults and children can enjoy the high-flying action.

The Giant Wheel towers above all the rest at 27 meters. The gondolas are large enough to take the whole family for a ride.

A whimsical, two-level carrousel attracts children and adults. Riders can choose from a variety of figures.

The Pharaoh's Fury welcomes passengers aboard the ship and then swings them from horizontal to vertical for a different view of the park.

The C.P. Huntington trains allow visitors to relax and enjoy views of the whole park. Chance Morgan has produced more than 336 C.P. Huntington Trains since 1961.

The rides are part of the overall plan to rejuvenate Cypress Gardens. The new owner is investing in new rides and will be retaining old attractions such as the water-ski show and the historic botanical gardens with Southern Belles.
