### Glenbrook Square

Wichita, Kan. — The latest in a series of projects by HQ Entertainment sends a Chance Morgan 36' Double Decker Carrousel to Glenbrook Square in Fort Wayne, Indiana. This is the first Double Decker HQ has installed in partnership with General Growth Properties, Inc.

After the ride was delivered to Glenbrook, workers were able to erect it within one week. “It’s just really amazing how quickly it goes up,” said Staci Granoff, HQ’s Vice President. “It’s just really fun to watch. We usually get a crowd watching the carrousel being assembled.”

The carrousel is decorated in Victorian scenery and features hand-painted horses, zebras, tigers and many other animals. The ride seats 40 and plays traditional carrousel music. It is located in Glenbrook’s food court, an area that formerly housed an ice skating rink.

Glenbrook Square’s carrousel began operating regular mall hours May 6, 2006. Tokens are \$2 or three for \$5, adults accompanying a child less than 42” ride free. More information on Glenbrook Square can be found online at [www.glenbrooksquare.com](http://www.glenbrooksquare.com).
