### Chance Morgan 36' Wildlife Carousel Ready for AZA Regional at Knoxville Zoo

Wichita, KS—April 21, 2005— AZA Regional visitors in Knoxville, Tennessee got a look at Knoxville Zoo's new addition. The 36' Wildlife Carousel, built by Chance Morgan, is located in Kids Cove. Kids Cove is a new exhibit area at Knoxville Zoo based on an early 1900s Appalachian farm. The exhibit includes a new contact yard, playground, walk-through aviary, a water play area and the carousel.

The carousel features 30 beautiful and exotic animals and two fully accessible chariots. Animals on the carousel include a White Tiger, Elephant, Pig, Gorilla, Alligator, Rooster, Red Panda and many others. The Red Panda was specially created for the Knoxville Zoo and is now part of the Chance Morgan product line. Appalachian scenes adorned the custom-painted chariots. The carousel music reflects local preferences. Local favorites include "Rocky Top" and "Tennessee Waltz."

Knoxville Zoo purchased the carousel with donations from local businesses and supporters. Proceeds from the custom-built carousel help pay for the daily operations of Kids Cove.
