### **Breathtaking Views of Niagara Falls Aboard the First Chance Morgan R60 Giant Wheel**

Wichita, Kan. — The new Skywheel at Clifton Hill provides a spectacular view of both the American Falls and the Canadian Horseshoe Falls to the more than 12 million tourists that visit Niagara Falls annually.

Chance Morgan is the North American manufacturer of the R-60 Giant Wheel which was designed by Ronald Bussink Professional Rides, Switzerland. This is the first R60 to be built in North America.

The 175' tall R60 is made up of 42 fully enclosed gondolas, each holding up to eight people. All gondolas provide year-round temperature control and contain UV protective, non-reflective glass for excellent viewing and image capturing. A VIP gondola features a glass floor, leather upholstery, tinted windows, a TFT flat screen, a DVD player and a mini bar.

The Skywheel on Clifton Hill opened on June 17, 2006. Admission for the attraction is \$9.99 for adults and \$5.99 for children. Ride duration is approximately ten minutes. For more information call 905-358-4793 or visit [www.cliftonhill.com](http://www.cliftonhill.com).

Chance Morgan, Inc. is located in Wichita, Kansas. For more information about Chance Morgan products, visit [www.chancemorgan.com](http://www.chancemorgan.com).
