To Russia with Love

Wichita, Kan. — Divo Ostrov, located on Krestovskiy Island in Saint Petersburg, Russia, is home to a new 36' Double Decker Carrousel. This is the first Chance Morgan Double Decker to ship outside the United States.

The Divo Ostrov, or Wonderland, Double Decker carrousel is located in the center portion of the park and opened on April 26, 2006. The attraction will be opened year round. The carrousel decorated in Victorian scenery features a triceratops, a giraffe, an elephant, a seal and a penguin.

When it opened in May 2003, Divo Ostrov was the first amusement park in Russia. "We are still the best amusement park in Russia," said Anna Shikhareva, chief executive for Divo Ostrov. In 2005, they won the Golden Pony Award for commitment to providing entertainment to people of all ages. For more information about Divo Ostrov, visit www.divo-ostrov.ru/en.
