ensure enjoyment for many generations to come.

Wichita, Kan. — [Chance Rides](#) is the original manufacturer of [C.P. Huntington](#) trains. We've been manufacturing them in Wichita, KS, for over 50 years and currently have over 370 trains in operation around the world. Each train is meticulously manufactured by skilled craftsmen with experience and passion for what they do. Like everything made by [Chance Rides](#), the [C.P. Huntington](#) is measured against the highest standards in design, quality, and safety. **Do not accept anything less!** [Chance Rides](#)' trains are built to last to

The latest in a long line of beautifully handcrafted [C.P. Huntington](#) trains was built to showcase a newly available diesel engine at the IAAPA Expo 2012. This train is now available for sale at a special promotional price that includes **free delivery** to anywhere in the continental United States. The Kubota Turbo 4-Cylinder Engine is 60 hp and complies with the EPA interim tier 4 emissions regulations. The train is painted a striking combination of candy apple red and black and then finished with our upgraded chrome trim package. This beautiful train would make a wonderful addition to your current railroad or would be a great way to start a new one. Guests of all ages enjoy the leisurely ride on the [C.P. Huntington](#) train.

Contact [Chance Rides](#) at **316-945-6555** or [sales@chancerides.com](mailto:sales@chancerides.com) to find out about purchasing the [C.P. Huntington #373 Locomotive](#). Make sure to ask about options for adding C.P. Huntington coaches as well. [Click Here](#) to download the [C.P. Huntington](#) specifications sheet.
