Chance Rides Returns to Its Roots

Wichita, KS — Chance Rides, LLC is proud to announce its return to the portable amusement ride market, reconnecting with the company's rich manufacturing heritage and decades-long legacy of innovation in the carnival and midway industry.

As part of this exciting new chapter, Chance Rides is resuming production of some of its most iconic portable attractions, including the legendary *Zipper*, the thrilling *Pharaoh's Fury*, the *Freestyle* and the timeless *Century Wheel*. These rides have long been staples on midways across the country and around the world and their return marks a renewed commitment to the traveling amusement sector.

"We're thrilled to return to the portable carnival market and back to our roots," said Dr. Jay Aguilar, Global Vice President of Business Development & Marketing at Chance Rides. "These rides represent the heart of our history, and this move reflects our passion for innovation, tradition, and the customers who helped build our legacy. We're excited for what's ahead."

This relaunch marks an exciting new chapter, expanding on our already comprehensive lineup of park models and continuing our tradition of innovation with an eye toward the future.

Welcome Travis Lane

Travis joins Chance Rides as Project Management Director, bringing deep experience from Spirit AeroSystems. He'll lead our PM team and report to President & CEO Aaron Landrum. We're excited to have him on board!
